EUGENE FIELD.

The paragraphers are now among the leading spirits of the day, and it is no rare case to find such great daily papers as the New York Tribune, Herald Times and Sun, bidding against each other for the services of this or that pat-derers afraid to condemn and ridicule the one apraphist, whose emanations are being copied extensively.

Among the brightest of the wits of this eccentric age of literature, Missouri has furnished her quota, but none of her sons have so wide a reputation as an eccentric poet and paragraphist as Eugene Field, the gentleman whose for the purpose of hanging them.

This highly educated young man is a native of St. Louis, where he was the lynching Smith made born in 1850. His father, R. M. Field, was one of the most highly respected the work that is going forth to and noted barristers of Missouri. So highly was he prized for his integrity satisfy the many expectant ones in and legal worth, that Governor Fietcher appointed him to a seat on the bench many lands. On such Ouida's works of the supreme court of the state, which honor he declined in these few words: lets. have a wholesome effect; and the "I thank you for the honor you would confer upon me, but I can not find time to attend to the duties of the position you so kindly profler."

Upon the death of his mother in 1856, Eugene Field was sent to Amherst lynchers were well satisfied of their having produced two writers of un- no great distance below that of the Mass., and placed in care of his father's neice, Miss French, to be reared and fathomable designs and sentiments - inimitable author of "Martin Chuz- educated.
